RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Assistant Commissioner for Patents  
Washington, DC 20231

Sir:

In response to the "Notice to File Corrected Application Papers", applicants enclose a substitute Figure 13.

Applicants substitute only this figure on the belief that this is the only figure which may contain excessive text. In the remaining figures, all text is clearly part of the figure

(as in Figure 1) or part of the legend (e.g., Figures 2-12). Only in Figure 13 does the text appear as sentences/bullet points which are apparently excessive.

Applicants have taken the bullet points from Figure 13 and added this to language at page 9 of text (i.e., in a Preliminary Amendment) to ensure it is not lost.

In view of this response, including submission of new Figure 13, it is respectfully requested the objections based on informality of the application be withdrawn and that the application be examined.

If a telephone conversation would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorney invites the Examiner to telephone him at the number provided.

No fee is believed to be due in connection with the Preliminary Amendment or submission of new Figure. However, if any fee is due, permission is hereby granted to charge the amount of any such fee to Deposit Account No. 12-1155.

Respectfully submitted,
